Dear Jeff:

The Rehabilitation for Multiemployer Pensions Act (HR 397) is headed to the full House of Representatives for debate and vote on the floor THIS WEEK! This bill is vital to protecting the pensions of hundreds of thousands of active Teamsters members and retirees across the country. Thanks to both Democratic and Republican allies in the House, the bill is expected to pass out of the house. But every last vote counts, from members of Congress on both sides of the aisle.

**The time is NOW to urge your member to vote for H.R. 397!**

TAKE ACTION – Tell your Member of Congress that you support the Rehabilitation for Multiemployer Pensions Act (HR 397) and that you will be watching how they vote on the House floor this week.
